

READY STUDY GO AROUND EUROPE!  
RSGAE

www.rsgo.eu

The aim of RSGAE is to utilise mobile learning in cultural and language learning. The project will produce language material with vocational content.

The material will be produced for the following sectors in these languages.

Language	General language and culture	Restaurant (kitchen & services)	Hotel and tourism	Social and Health Care (care for the elderly, child care)	Vehicle
Estonian				x	
Finnish				x	
Hungarian	x		x		x
Italian				x	
Spanish				x	
Swedish		x	x	x	
Turkish					x
Polish	x		x	x	

Some of the material already exists in French and German.

The on-line modules are meant for vocational students in preparation for their work placement, for teachers and work place instructors. Also employers can use the material in their personnel training.

The project has 10 partners in 8 countries. All partners are from the educational sector.

The objective of the project is to improve language and cross-cultural skills for people involved in vocational education and working life.
